Midleton, Co.Cork

 @yellowbellyfarm

We are hiring a **Part-time Seasonal Organic Grower**

Yellow Belly Farm, started in 2022, is an exciting new project in the heart of East Cork aiming to build a thriving organic market garden to supply the people of Midleton and beyond with fresh, nutritious food. The farm will be fully certified organic in February 2025 and we are now looking for some part-time help on a flexible basis to help maintain, build and market produce as expand to bigger markets.

Role Purpose

To develop and actively farm the land, to plant and care for organic fruit, vegetables and herbs which we will sell through local channels.

Responsibilities

- Crop planning, maintenance and harvesting (outdoors & in tunnel)
- Diligent record keeping
- Preparing for and tending at local market at weekends (depending on season)
- Maintaining the grounds and ornamental areas around the farm
- Weeding, it's inevitable...
- Building new beds and developing new areas for cultivation
- Repairs around the farm, general maintenance

Key Skills and Experience

- Self-motivated with the ability to prioritise work
- Can learn quickly and work on own initiative
- Able to adapt and react in an unpredictable environment
- Confident with use of horticultural tools and powered hand tools
- Good knowledge of plants and vegetables
- Knowledge of organic growing principles and techniques
- Personable and willing to interact with customers
- 1-2 years experience (is a nice to have)

Schedule & Pay

Part-time with flexible hours (2-4 days per week). Hourly rate depending on experience

Other

Located in Midleton, Co.Cork, requires own transport. Position is seasonal, between the months of March/April and November with potential to become more permanent.
